

ANNOUNCEMENT
RECRUITMENT OF MASTER'S STUDENTS IN AQUACULTURE
IN 2018

According to Document No. 6475/BGDĐT-GDDH on December 14th, 2015 of the Ministry of Education and Training with regard to giving Can Tho University the authorization to offer **the master's program in Aquaculture taught in English** based on VLIR-NETWORK program;

Can Tho University (CTU) formally enrolls the candidates into **the master's program in Aquaculture taught in English** in 2018.

1. CANDIDATES: the candidate is a citizen of Vietnam and foreign countries.

2. ADMISSION: the candidate must satisfy the following requirements:

2.1 Qualifications: a candidate must meet 1 of 3 requirements (a or b or c):

a. A candidate must hold an undergraduate degree in Aquaculture.

b. A candidate, who holds an undergraduate degree in Aquatic Animal Pathology, Fisheries Resource Management, Fishing Technology, has already studied additional credits as prescribed.

c. Can Tho University Selection Committee decides if other degrees are applicable, based on a candidate's working experience, occupation, scientific research and publications.

2.2 Professional experience: no specific requirement.

2.3 The candidate must have one of the following certificates of foreign languages:

A foreign language certificate is equivalent to Level IELTS 5.5 (at application moment) and 6.0 (at recruitment moment). This certificate must be issued within the past two years, counting from the time the candidate submits his/her documents.

2.4 Curriculum Vitae: clear and transparent (not during a warning or disciplined period, not during a criminal enforcement).

2.5 Good health.

2.6 Submission of documents on time

III. RECRUITMENT

3.1 If a candidate is a foreigner. Admission by interview (in person/phone/SKYPES) for foreign candidates.

3.2 If a candidate is a Vietnamese. Taking an entrance examination and meeting the requirements of the examinations specified by Can Tho University.

The entrance examination:

- Mathematics and statistics.
- Basic and principles of Aquaculture (required/compulsory).

IV. TRAINING FORM AND TIME

Training form: a full-time master's program in Aquaculture.

- Training time: 2 years
- Maximum training time: 4 years

V. LANGUAGE USE: English

VI. ENTRY REQUIREMENTS

- An application form (*see the template*);
- Two certified copies of academic records of the undergraduate training program;
- Two certified copies of bachelor's degree;
- One CV (*see the template*);
- Health certificate (*01 official certificate from a district hospital, which is valid within the past 3 months*);
- One certified copy of personal ID card or passport;
- Three-photo slip (*3x4 cm most recent photos, taken within the last 3 months*);
- One certified copy of the certificate of a foreign language;
If Vietnamese: the additional document required:
- One certified copy of birth certificate;
- Priority profile (*01 certified copy, if any*);
- An official document of an equivalent degree issued by the Department of Testing and Quality Accreditation (if the degree was conferred by international higher education institutions).

VII. PROCESSING TIME

- **Submission date:** from the date this announcement is made to 13 March 2018.
- **Examination date:** 24 and 25 March 2018.
- **Expected date of exam results:** 24 April 2018.
- **Expected enrollment date:** 25 May 2018.

VIII. ENTRY CONDITIONS

1. If a candidate is a foreigner: Admission by interview:

The candidate will be selected for admission by the University Selection Committee based on the results of the interview, English qualification and other requirements said in 2.1.a (if needed).

2. If a candidate is a Vietnamese: Taking an entrance examination:

Candidates who take the entrance examinations must have the scores of 50% the grading scale for each examination (after including priority mark, if any).

Based on the quota for each field of study and a total score of two examinations (exclusive of foreign language scores), the enrollment scores will be considered by the committee.

If several successful candidates have a total similar scoring of the two examinations as mentioned above (including priority scores, if any), these highly competitive candidates will be admitted in order of score:

- a) Priority is given to women—preferred candidates in the list, as indicated in Clause 4, Article 16 of Decree No. 48/2009 / ND-CP dated on 5 May, 2009 in accordance with gender equality;
- b) The candidate has higher scores of the specialized field;

IX. FEES

- Registration fee: 60,000 VND (= 3 USD)/candidate
- Examination fee: 120.000VND (= 6 USD)/candidate/exam
- Tuition:

For Vietnamese candidate: In addition to tuition fees stipulated by the Vietnamese Ministry of Education and Training, the candidate must pay additional training cost in English equivalent to 24.000.000 VND (= 1,200 USD)/course/student.

For foreign candidate: 3,600 USD/course/student.
